Product data sheet

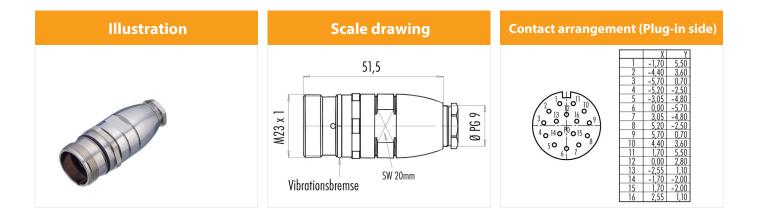

Power connectors

Product description

M23 coupling socket, Contacts: 16, 6.0 - 10.0 mm, shielding is not possible, solder, IP67

Area Order number M23 series 623 99 4618 00 16

You can find the assembly instructions on the next page.

Technical data

General values

Connector design Connector locking system Termination Arrangement of contacts Wire gauge (mm) Wire gauge (AWG) Cable outlet Upper limit temperature Lower limit temperature Customs tariff number Packaging Unit coupling socket screw solder clockwise max. 1.00 mm² max. 17 6.0 - 10.0 mm 125 °C - 20 °C 85369010 20

Electrical values

Rated current (40 °C) Rated voltage Rated impulse voltage Pollution degree Overvoltage category Insulating material group Insulation resistance EMC compliance Degree of protection Mechanical operation

Material

Contact material Contact plating Contact body material REACH SVHC 8 A 150 V 1500 V3 II III $\geq 10^{10} \Omega$ shielding is not possible IP67> 50 Mating cycles

CuSn (bronze) Au (gold) PBT/PA66 CAS 7439-92-1 (Lead)

Security notices

The connector must not be connected or separated under load. Non-observance and incorrect use can result in personal injury.

The connectors are designed for use in plant, control system and electrical equipment. The end user is responsible for checking whether the connectors are suitable for use in other applications.

Connectors used in electrical circuits containing hazardous life parts must only be assembled and used by or under the supervision of persons with the requisite electrotechnical training, taking the applicable regulations and standards into account.

Connectors with degree of protection IP 67 and IP 68 are not suitable for use under water. When used outdoors, the connectors must be separately protected against corrosion. For further information about IP degrees of protection refer to 'Technical support' in the Download Centre.

To lock the cable connector to the equipment connector, the threaded ring is tightened until it is 'finger-tight' (approx. 50 cNm).
